1. On 29 March 1955, Minister Heinrich Rau ordered all heads of the Main Administrations of the Ministry of Machine Construction to screen all factory logs (Betriebspaesse) ¹ for armament production under the Hitler régime until the end of the war.
2. A complete list of enterprises previously engaged in armament production and of armament items produced by them was to be forwarded to Minister Rau by noon of 30 March 1955.

Comment: The Betriebspaesse consists of a survey of the plant's history, production, and equipment.
